

Investment Banking Internship JD

Company: IFinworth Advisors Private Limited

Role: Investment Banking Intern – Corporate Finance & Advisory

Location: Hybrid (Mumbai – Andheri + Remote)

Duration: 2–6 Months

PPO: High-performing interns may be offered a full-time Analyst role

Internship Structure

- **Duration:** 2–6 months
- **Mode:** Hybrid – Mumbai office + Remote work
- **Stipend:** [Insert Range]
- **PPO:** Based on performance and firm hiring needs

High-performing interns will be considered for a full-time Analyst role with early exposure to live transactions.

Role Overview

As an Investment Banking Intern at **IFinworth Advisors**, you will support live mandates across M&A, capital raising, valuation, and strategy consulting assignments.

The internship is designed to give **hands-on exposure** to real transactions across sectors such as healthcare, NBFCs, manufacturing, electronics/PCB, EV, consumer brands, and technology.

You will work closely with senior bankers and founders, helping create client-ready outputs under tight timelines. This role is ideal for candidates looking to build strong fundamentals in corporate finance and advisory.

Key Responsibilities

1. Investment Banking Support

- Assist on live mandates across M&A, PE/VC capital raising, and strategic advisory
- Support financial analysis (revenue build-ups, comps tables, basic valuation, scenario analysis)
- Prepare parts of teasers, pitch decks, investor lists, company profiles, and sector notes
- Conduct company and industry research for deal positioning
- Support due diligence tasks (data request lists, trackers, data room organisation)

2. Consultancy & Strategy Support

- Assist in business plan preparation – market sizing, competitor benchmarking, unit economics
- Help create MIS dashboards, KPI trackers, and growth strategy notes
- Support preparation of investment teasers and information memorandums

3. Project & Execution Support

- Maintain trackers for deals, outreach, and research pipelines
- Ensure accuracy and formatting quality in deliverables
- Help build internal templates, research databases, and case studies

Learning Exposure

During internship you will learn:

- How real IB deals are structured
- Valuation basics (DCF, Comps, Transaction multiples)
- Building investor lists and outreach strategy
- Creating client-ready pitch decks

- Sector research frameworks
- Due diligence process

You will also get exposure to sectors like healthcare diagnostics, NBFC lending, electronics manufacturing, EV mobility, consumer brands, etc. — similar to the mandates IFinworth regularly works on

Qualifications

- Final-year undergraduate / MBA students in Finance, CA/CFA candidates, or recent graduates
- Strong academic background

Technical Skills

- Basic understanding of financial statements and valuation concepts
- Good Excel skills (formulas, clean structure, basic analysis)
- PowerPoint skills for structured slides
- Strong research ability

Professional Traits

- Strong attention to detail
- Willingness to work in a fast-paced deal environment
- Good written and verbal communication
- Ownership mindset and curiosity
