

Job Description

Job Title : Junior Analyst
Company : Ifinworth Advisors Private Limited.
Location : Andheri, Mumbai

Job Summary:

A career within valuation and Investment banking services will provide a wide and valuable range of experience in an exciting, dynamic and challenging working and learning environment. The main objective of the role is to contribute to our business growth by developing and maintaining strong working relationships with key business decision-makers, providing guidance/expertise/training on various valuation engagements and lead the team towards excellence in service delivery.

Responsibilities:

Be part of our business valuation practice and transactions including M&A, Fund raising, work on a range of valuation engagements including valuations for financial reporting, tax reporting and compliance, intellectual property and intangible asset valuations.

1. Work in a collaborative team analysing client issues and recommending solution
2. Prioritize your objectives and contribute to project execution and status reporting
3. Directly liaise with and develop relationships with client and engagement team members

Competencies and Experience:

In order to be considered for this role your competencies will cover the broad scope of valuation services, leveraging your professional background and skills such as:

1. Completed undergraduate degree with outstanding academic credentials
2. A professional designation including CA/CPA/MBA/CFA
3. 0-2 years of relevant valuations work experience
4. Sound grasp of MS Excel; a natural interest in working and learning to use it to an advanced level
5. In-depth understanding of valuation principles
6. Excellent analytical, project management and teamwork competencies
7. Strong communication and interpersonal skills
8. Proven business development and marketing techniques, and ability to pursue and close business growth opportunities
9. Strong verbal and written communication skills
10. Interest in working in a challenging and dynamic environment

11. Strong commitment to professional client service excellence
12. High quality interpersonal skills, integrity and credibility
